

Request for Statistical Support from the Center for Children's Healthy Lifestyles & Nutrition

If you need statistical support for a project that you are working on, whether it be in the planning stages, in grant submission, or in the data analysis phase, please complete this form and submit it to the Director of the Center for Healthy Lifestyles & Nutrition. Your completed application will be reviewed at the next monthly meeting of the Scientific Directors, and if approved, passed along to Dr. Kathy Goggin, who will assign your statistician. You will be granted 10 hours of statistical time and must submit another form if you need additional time after those hours are expended.
